MEMORANDUM FOR THE RECORD

SUBJECT: Invitation to Appear Before Fairfax County  
Federation of Citizens Associations

1. The undersigned received a call from Bob Gresham, National Capital Planning Commission (NCPC) Staff on 20 October 1981. Mr. Gresham asked if the Agency would be willing to preview its Master Plan before the Fairfax County Federation of Citizens Associations (FCFCA) on 19 November as a case study of the NCPC review process. Mr. Gresham stated that an answer was desired by cob 21 October so that NCPC could respond to the FCFCA request.

2. A quick review of the request on 21 October by the Acting Director of Logistics and the Deputy Director for Administration raised no overriding objection. A call to the Dranesville District Supervisor's Office resulted in a request on the Supervisor's part to delay their opinion.

3. Based on these events, the undersigned advised Mr. Gresham on 21 October that there was tentative agreement within the Agency to appear and that a final response would be provided the week of 26 October.

4. On 26 October, Mr. Gresham was advised that the Agency had reconsidered the request and found the timing inappropriate. Presenting the Master Plan to a county organization on 19 November would precede the review by the local community and is therefore not in the best interest of the Agency or the community. Mr. Gresham accepted this response and thanked the Agency for its efforts.
